← Non-discrimination policy

About our non-discrimination policy

When you started advertising on Instagram, you agreed to our non-discrimination policy. The policy hasn't changed, but we're sharing some examples to make it more clear.

Ads are discriminatory when they deny opportunities to people or groups based on certain attributes like race, ethnicity, national origin, religion, age, sex, sexual orientation, gender identity, family/marital status, disability or medical or genetic condition.

Acceptable ad targeting

Targeting an ad for a job at a clothing store to all individuals of eligible working age, regardless of gender.

Ad discrimination

Targeting an ad for a job at a clothing store in a way to exclude women and discourage them from applying.
